

Dear Residents of Thriplow,

As you are probably aware Thriplow Primary School holds a Ball every other year in order to raise funds for the School. This year it will be held on 4th October and will comprise a drink on arrival, a three course catered dinner, a silent auction, a raffle and a live band with dancing.

One of the greatest fundraisers on the night is the silent auction. As we did last time we are opening the auction up to people who live in the surrounding areas who may not be able to attend on the night. We have been incredibly lucky this year with some very generous donations to both the raffle and the auction for which we are most appreciative. There is a wide variety of lots to bid on, hopefully with something for everyone. Please do take a look at the attached list and description of the lots.

If you wish to make a bid for any of the lots please contact us by email Thriplowschoolball@outlook.com and enter in the subject line "auction bid" and state in the body of the email which lot you wish to bid for, how much you wish to bid and a contact telephone number so that we can contact you should you have placed the winning bid. Please ensure that all email bids are placed by 1pm on Saturday 4th October. We cannot guarantee that we will see the bids after that time as we will not have Wi-Fi access on the night.

The raffle also has some fabulous prizes such as a huge filled food hamper, Jamie Oliver signed books, Arbon & Turner huge floor cushions, pamper vouchers and alcoholic gifts to name a few! Raffle tickets are now for sale in the village shop for £1 each.

We still have a few tickets left for the Ball, so if you are interested in attending, please contact us by email at the above email address or speak to Sarah Deacon, Katie Hilton or Karen Broom.

We wish you good luck in your bids and raffle tickets and thank you for your kind support.

Best Wishes,

Thriplow School PTA Ball Committee
