

Bell Ringing

Would you like to learn how to ring Church Bells?

I have been asked to arrange some training for the ringing of the bells at St. George's Church, Thriplow and would like to know how many people would like to have the opportunity of learning.

The first stages of the training will probably be carried out by members of the Cambridge District of Church Bellringers at one of the churches nearby where there will be the chance of meeting other bellringers and learning more about the art.

If you would like to find out more, please contact me by email –
